

OUTDOOR RECREATION -

A Dynamic Experience at the Park

Design Ideas for Dynamic Recreation at Puente Hills Landfill Park

Inclusive Design for All Abilities

Time outdoors and physical activity have been shown to be important to your long term physical and mental health. The proposed plan supports a range of activities that promote health and wellness for all ages and abilities.

What other activities would you like to see planned into the park design?

- Bike Skills Course
- Bike Trails
- Flexible Open Space
- Trail Rides
- Hiking
- Children's Play
- Running Loops
- Exercise Stations
